Hello Liz,

Do you feel that there could be any liability on my part in agreeing to this ?

Thanks, Dane

Subject: EPA Water Quality Sampling - Request for Access

Hi Dane,

I'm following up regarding our conversation over the phone yesterday about EPA's request for access to your property near Silverton, Colorado. EPA plans to conduct water quality and sediment sampling at a location on a mine claim that you own. Please see the attached request and consent for access form. If you could sign the form and send it back to me via email or mail, that would be appreciated. Please let me know if you have any questions.

Thanks,

Liz
